(Service Provider)

I. PROJECT: DEVELOPMENT AND REVIEW OF TRAINING MODULES

II. Background and Project Description

RA 9593 mandates the Office of Industry Manpower Development to implement a 5-year tourism human resource development plan to detail strategic actions needed to upgrade the capacity of human capital and to meet the projected needs of the sector in the succeeding years.

The updated Philippine Tourism Human Capital Development (PTHCD) Plan 2021-2025 identifies key strategic actions which includes the facilitation of education and training and comprises the development and enhancement of new courses relevant to industry needs.

Given the above considerations, the OIMD needs to constantly review and update in a periodic cycle to continue to stay relevant, suited for its purpose and interesting for the target audience. The review and update of the training courses and modules under the Training Compendium of OIMD shall ensure that the tourism industry and its various stakeholders are kept attuned with the development and new competencies required amidst a highly-disrupted and volatile environment.

III. Objectives

1. To streamline and rationalize the current list of training programs and modules under the DOT-OIMD Compendium of Training Courses;
2. To create a standard format for training designs that are easily understood, classified, evaluated, and measured.
3. To develop and update each training module with the end view of ensuring that these stay relevant, industry-specific and competency-based.
4. To create and develop a complete training toolbox for selected training courses.

IV. Minimum Requirements
