

TECHNICAL SPECIFICATION

(IEC Materials and Tokens)

I. Project: Procurement of IEC Materials and tokens

II. Project Description: The project will entail the service of the winning bidder for the production of IEC materials and tokens that will be given during the conduct of OTSR's seminars/trainings and other related projects.

The items to be procured will serve as tokens of appreciation to the Officials, Resource Speakers, and participants of the OTSR-conducted seminars.

III. Effectivity: August - December 2023

IV. Minimum Requirements for Bidders

1. Bidders must be PhilGEPS registered
2. Must be willing to provide product warranty/return and exchange of defective items
3. Must not have a history of cancellation of award or non-compliance with the deliverables
4. Must be willing to provide services on a send-bill arrangement

V. Scope of Work/Deliverables

The services required by the DOT End-user:

1. Submit sample of actual product prior to mass production.
2. Proposed materials to be used as specified in the layout/description
