#### Description

##### TECHNICAL SPECIFICATIONS

I. PROJECT TITLE : Participation in the Global Wellness Summit

II. IMPLEMENTATION PERIOD : November 05 to 09, 2023

III. BACKGROUND :

Wellness Tourism is a sustainable and high-yield segment of the travel industry with approximately USD639 billion annual visitor expenditure globally. This industry is expanding 50 percent faster than the overall tourism industry with wellness travelers taking a whopping 586 million wellness trips each year.

The Global Wellness Summit is the premier organization that brings together leaders and visionaries to positively shape the future of the \$4.4 trillion global wellness economy. Its future-focused conference is held at a different global location each year and has traveled to the US, Switzerland, Turkey, Bali, India, Morocco, Mexico, Austria, Italy, and Singapore. The organization's annual Global Wellness Trends Report offers expert – based predictions on the future of wellness.

The venue of this year's GWS will be in Qatar with a theme: "A Time of Transformation", In the heart of the Middle East, Qatar has undergone a remarkable transformation in the last 50 years. The billion-dollar investments in

infrastructure, higher-education and world-class healthcare system developments, and sustainability leadership make it an attractive place for business, and it is positioning itself to be formidable wellness tourism destination.

Attended by the global experts in digital health and wellness, public policy, and preventative approaches in healthcare, to entrepreneurs and researchers inventing the future of food, travel, and longevity medicine, the speakers illustrate the breadth of the wellness sectors and brilliant minds that will gather to discuss the future of wellness.

Due to the recent conflict in the Middle East (Israel and Palestine), the Global Wellness Summit organizer decided to change the venue from Doha, Qatar to Miami, Florida, USA.

#### IV. OBJECTIVES :
