#### Description

##### I. BRIEF BACKGROUND:

The Accommodation Capacity Survey (ACS) is one the surveys being conducted by the Office of the Tourism Development Planning, Research and Information Management Division (OTDPRIM) and Regional Offices. It is scheduled every two (2) years. The main objective of this survey is to carry out a comprehensive census of all existing and under-construction accommodation establishments (AEs) across the country. The aim of this initiative is to update the existing ACS database and collect vital information related to the tourism supply, encompassing the total number of establishments, available rooms, and workforce employed within AEs in various destinations.

##### II. OBJECTIVES:

- To update the current database using the results of the 2019 Accommodation Capacity Survey;
- To enlighten and capacitate the Local Government Units of the purpose and technique on the collection of the necessary data;
- To submit and the signed and approved updated ACS data base by the 1st week of December 2023.
