NATIONAL WOMEN'S MONTH 2024 – TOURISM MICRO RETAIL: BEADWORKS AND LEI MAKING

Host Agency : DEPARTMENT OF TOURISM – MIMAROPA

Location : Paluan, Mindoro Occidental

#### II. BACKGROUND INFORMATION

Republic Act 6949 "An act declaring March 8 of every year as special working holiday to be known as National Women's Day/Month". The Department of Tourism joins the celebration to support the government's international commitments on gender and development and promote and advocate women's rights.

The Department of Tourism (DOT) MIMAROPA Region supports the 2024 National Women's Month Celebration which aims to inform and engage women and everyone to push for gender-responsive government programs and services

that empower women to contribute to nation-building and inspire women and girls to empower themselves and take on leadership roles, opportunities, and benefits toward maximizing their full potential and enabling them to reap the fruits of gender equality.

This year's celebration marks a juncture in the advancement of women's rights as it launches a new recurring theme from 2023 to 2028: WE for gender equality and inclusive society. Inclusive society is a call not only for a gender-responsive society but also one that overrides differences in SOGIE, class ability, generation, status, and culture; a society where every individual, each with rights and responsibilities, has an active role to play.

The MIMAROPA Gender and Development Focal Point System (GFPS) team seeks to celebrate women's month meaningfully by providing skills training for the Mangyan Tribal Women of Paluan, Mindoro Occidental.
