Description

TERMS OF REFERENCE
PROCUREMENT OF PEST AND TERMITE CONTROL SERVICES FOR CY 2024

I. INTRODUCTION

The Department of Tourism (DOT) has annually procures the service provider for the conduct the regular pest and termite control services to the department to ensure prevention against pest infestation in the in the entire building being rented at Makati City.

II. OBJECTIVE

To procure a Technically and Financially capable service provider to deliver the Pest and Terminate Control Services requirement of the DOT for CY 2024.

III. QUALIFICATIONS OF BIDDER/SERVICE PROVIDER:

- The Service Provider must have the necessary experience and expertise in providing Pest and Termite Control Services for the last three (3) Years;
- The Service Provider must be PhilGEPS registered;
- The Service Provider must submit the following documents together with their Bid Proposal/Price Quotation to the

DOT:

- Certificate of Satisfactory Performance from its previous/current clients attesting to the services for the last three (3) years;
- Copy of the Certificate of Membership and/or accreditation from any of the following organizations:
 - Pest Control Association of the Philippines (PCAP);
 - Philippine Federation of Pest Management Operators Association, Inc. (PFPMOA);
 - National Pest Management Association (NPMA);
 - Federation of Asian & Oceania Pest Managers Associations (FAOPMA);
 - Food and Drug Administration of the Philippines (FDA);
 - Fertilizer and Pesticide Authority (FPA);
 - Philippine Green Building Council, and the Philippine Association of Certified Pesticide Applicators (PACPA);
- Copy of the company's current Certificate of Product Registration issued by the DOH-BFAD for the chemicals to be used; and
- Copy of Training Certificates attended by personnel/technicians who will be assigned to the DOT for the last three (3) years.

IV. DUTIES AND RESPONSIBILITIES OF BIDDER/SERVICE PROVIDER:

- The Service Provider shall provide all the labor and materials, tools and equipment, supervision and other incidentals for the comprehensive termite and general pest control of the Department. All tools and equipment shall at all times be in good working conditions;
- The Service Provider shall ensure that the scope of work and schedule of requirements are diligently rendered;
- The Service Provider shall ensure that the services to be rendered will effectively exterminate any and all pests, insects, and rodents without the visible presence and disturbing odor or smoke of fumes. In any case that the DOT finds to be ineffective on the services provided, the DOT has the right to terminate the Contract at any time and shall not be obliged to pay the contractor for the services rendered;
- The Service Provider Shall ensure that all the chemical supplies and materials necessary for the implementation of the work are of the best quality, safe and approved by the Bureau of Food and Drugs (BFAD) or certified by the proper government authorities;
- The Service Provider shall ensure that all the preparations, formulation, and the use of the chemicals are in accordance with the specifications of its toxicologist and entomologist;
- The Service Provider shall provide/assign honest, skilled, and well-trained technicians/workforce to ensure proper application and treatment. All personnel assigned to the DOT must wear proper company uniforms and identification cards.
- The Service Provider shall exercise extraordinary diligence in the performance of its services to ensure that no illnesses, accident, and/or damage to any of its employees will take place. The Service Provider shall shoulder all the medical expenses of their personnel (if any) arising from the accidents while performing the services;
- The Service Provider shall provide an on-call service in-between schedule for immediate additional service/s if there be a sudden outbreak of infestation at the DOT premises at no additional cost;
- The Service Provider shall submit a Weekly Service Treatment Report to the GSD-Maintenance Section, indicating therein, the areas that were treated and monitored, duly confirmed/acknowledge by the GSD-Maintenance Sections' representative present during the treatment;
- The Service Provider, through its representative, shall visit the premises two (2) days after each treatment and evaluate the result of the services rendered, together with GSD representative. All concerns (if any) shall be addressed by the Service Provider immediately.
- A Quality Control Supervisor, affiliated with the contractor, shall visit the DOT premises once a month or whenever necessary to undertake the following:
 - Coordinate with the DOT authorized representatives in evaluating the effectiveness of the contract pest and terminate control services;
 - Service as pest control consultant by recommending ways and means to control infestation.

V. SCOPE OF WORK

- Areas of Treatment – The Service Provider shall ensure that the following areas/premises of the DOT are covered of the treatment:
 - All areas/offices inside the DOT Building, including the basement area, and
 - Upper Parking Area

• Frequency of Services
