Description

Office of Tourism Development Planning, Research and Information Management

TERMS OF REFERENCE

Purchase of Mobile Tablets and GIS Devices

I. Background of the Project

OTDPRIM is implementing data gathering methodologies that are now using current Information and Communications Technology (ICT) tools such as online central database server, mobile digital survey tools and data processing applications.

The following are the major surveys being implemented:

1. Accommodation Capacity Survey (ACS) - is a census of existing and under construction accommodation

establishments (AEs) around the country. Primarily, it seeks to provide tourism supply data on total establishments, rooms and employees in AEs in a destination. Also, it provides data on the capacity of local destinations to accept tourists as well as information on the composition of guests staying in AEs in the country. The expanded feature of the ACS is the gathering of GIS data, specifically the longitude and latitude of AEs which will be overlaid into a map with the data from the Tourism Road Infrastructure Project (TRIP).

This is conducted every two years, and will be conducted this October 2017 nationwide.

2. Visitor Sample Survey (VSS) – is an exit survey for international visitors to the Philippines. This is conducted every month in international airports nationwide by our enumerators. The survey is the source of data for visitor profile and travel characteristics such as average length of stay, average expenditure, age, sex, professions, satisfaction, among others. These data are very important in the analysis of the tourism sector especially its economic contribution as well as in marketing plans.

3. MICE Expenditure Survey – is a regular survey for participants of MICE events. This is an important source of data for average expenditure and travel characteristics of this niche market.

In order to implement the surveys as efficient as possible, the enumerators should be equipped with survey tools that are capable of connecting online to the central server, take high resolution pictures, and define GIS data like latitude and longitude.

II. Requirements and Deliverables

Mobile Tablets and Geographic Information Device (GIS) Device

A. Mobile Tablets

1. Bill of Quantities and Total Product Cost:

Item	Quantity	Unit	Brief Description	Total Cost
1	31	units	8" Mobile Tablet, capacitive touchscreen, 3G/LTE/WIFI, 16Gb ROM internal, 2Gb RAM, each packaged with 128 Gb micro SD card, Tempered Glass Screen Protector, Globe or Smart network SIM card and case	P 527,000.00

2. Product Specification:

a. Processor: At least Quad Core, 1.2GHz

b. Display: At most 8" Display, 1024 x768 Resolution, TFT capacitive screen, 16M Colors, S Pen Support

c. Camera: At least HD Video Recording, 5MP Rear Camera, 2MP Front, Rear Flash,

d. Memory: at least 2Gb RAM, 16GB ROM (internal), up to 218Gb expandable thru Micro SD

e. Network: at least 4G / LTE / WIFI

f. Connectivity: By the least ANT+, USB2, GPS/ Glonass, Beidou, WIFI, Bluetooth+, Ear jack 3.0mm stereo, PC Sync

g. OS: At least Android Lollipop

h. Sensors: By the least Accelerometer, Hall Sensor, RGB Sensor

i. Battery: 4200mah

j. Additional Accessories for each unit:

i. 128 Gb Micro SD card

ii. Tempered glass Screen Protector

iii. Globe or Smart SIM card (micro sim)

iv. Case

v. With S-pen

B. Mobile GIS Device

1. Bill of Quantities and Total Product Cost

Item	Quantity	Unit	Brief Description	Total Cost
1	6	units	Handheld GPS navigator 2.6" Transreflective TFT Display, 4Gb internal memory, each packaged with Garmin Rechargeable NIMH Battery Kit (with 2 AA batteries), and 64Gb micro-SD card and case	P 150,000.00

2. Product Specification:

a. Display: at least 2.6" Diag, 2.4" x 6.3" x 1.4", 160 x 240 pixel, transreflective 65k color TFT

b. Physical Dimensions: at most 2.4" x 6.3" x 1.4", Wt = 230g with batteries

c. Battery: 2 AA, battery life of 16 hours

d. Receivers: with high-sensitivity receiver, hi-speed USB and NMEA 0183 compatible, with barometric altimeter, electronic compass, unit to unit transfer

e. Maps and Memory: With baseline maps and ability to add customize and other maps, with at least 4gb built-in memory, accepts micro-sd card, can log routes, tracks and points of interest

f. Outdoor Features: automatic routing, custom maps, sun and moon information, tide tables, area calculation and picture viewer, with online community connect.

g. Additional Accessories for each unit:

i. 64Gb micro SD-card

ii. Garmin Rechargeable NIMH Battery Kit (with 2 AA batteries) – can be charged while inside the unit.

iii. Case

III. Warranty and Support

1. Two (2) years warranty with Official Certificates per item.
2. Replacement of Defective Units within 2 weeks after delivery.

IV. Total Project Cost

1. Six Hundred Seventy Seven Thousand Pesos (Php 677,000.00)
2. Includes all applicable taxes

V. Delivery Requirement

1. Winning bidder must be willing to deliver within 10 days after notice of award.

VI. Project Officers / Contact Persons

Emmanuel A. Alfaro
OIC, Statistics, Economic Analysis and Information Management Division

Ramil S. Basuel
STOO, Statistics, Economic Analysis and Information Management Division

5th Floor, DOT Building 351 Sen. Gil Puyat Avenue, Makati City

Tel. No.: 459-5200 local 506 / 512

Mobile No.: (0915) 0024755 / (0919) 4985360

E-mail: ramilbasuel@gmail.com / eaalfaro@tourism.gov.ph

Other Information

NOTE : The winning bid shall be determined based on the proposal with the most advantageous financial package cost, provided that the amount of the bid does not exceed the above total budget.

REQUIRED VALID DOCUMENTS TO BE SUBMITTED:

1. Current Mayor's Permit
2. PHILGEPs' Registration Number
3. BIR latest annual Income Tax Return
4. Omnibus Sworn Statement duly notarized 2017
5. Valid DOT Accreditation certificate

PLEASE ALWAYS INDICATE BOOKING CLASS and AIRLINE RATE

Kindly submit your quotation for the above requirement in a sealed envelope (indicating the Solicitation number) addressed to Ms. Teresita A. Romanes at the Department of Tourism #351 Sen. Gil Puyat Avenue, Makati City Telephone Nos. 890-0189/ 459-5200/30 loc. 110

NOTE : For Land Bank Payment Purposes:

Bank's Name _____

Bank's Account Number _____
