II. The following are additional clarifications:

1. The basis of the Approved Budget for the Contract (ABC) is the PADPAO rate. However, for purposes of submitting their bids, the prospective bidders may offer different bid prices below the PADPAO rate without being charged of cut-throat competition or violating the provisions of the Implementing Rules and Regulations of Republic Act No. 5487, provided that they do not go below the standard salaries and benefits for the guards and the mandated taxes in the minimum cost distribution formula in conformity with existing wage laws. As such, bidders may offer an amount lower than the PADPAO rate by reducing the agency fee covering operational and administrative expenses in computing its bid price.
2. **The bidders must attach a bid price breakdown, showing the rates per guard, including administrative and operational cost, following the PADPAO format.**
3. The contract duration is from September to December 2019 (four months).

Please be informed that due to the belated posting of this bid bulletin, the **deadline of submission** and **opening of bids** have been moved to **July 02, 2019 at 9:00 a.m. and 10:00 a.m., respectively.**

For the guidance and information of all concerned.
