I. Background

Part of the approved 2019 Work Program for Vietnam is a media familiarization tour. This media tour will be composed of 4 media from Saigon. The tour will cover Siargao's land and iconic marine based attractions. The Vietnam arrival has increased with a majority of the arrivals seeking beach destinations and marine sports. One of the most popular destination for the Vietnamese is Coron island; therefore, we have identified a similar destination that has the potential to attract substantial arrival from Vietnam. The media familiarization tour will cover 5 days and include our main gateway Manila. The OPMD is in need of service of a tour operator to handle their domestic ground arrangements

Objectives:

- (1) To provide an opportunity for Vietnam tour operators to familiarize them of Manila and Siargao
 (2) To contribute to the increase in media coverage of our eco-tourism destinations
